You need to download the Decision Making power point off of my website mrsmorganfacs.weebly.com and read through the notes. You then need to open a word document and write a two-paragraph (4-6 sentences per paragraph) summary.

1st Paragraph – Please summarize the notes you read.

2nd Paragraph – Describe how you make decisions in your life? Now, explain how your decision-making skills will help you achieve your short and long term goals in your life?

Save this, then attach it to an email and send it to this account:
